Decline Financial Aid Awards Form

Student Name

UTEP ID Number

I wish to decline all my disbursements of financial aid award/s at The University of Texas at El Paso (*to include grants, work-study, & loans*) beginning the _____ semester.

- I understand all accepted awards will be **decline/cancelled**.
- I **must return (pay back)** all aid disbursed and any refund issued for the semester(s) being cancelled to the UTEP Student Business Services office.
- I understand cancelling my awards **does not constitute a complete withdrawal**. If I want to withdraw from all my courses, I must complete a Withdrawal form. Medical withdrawals must be done with Student Business Services.
- I understand that upon returning to UTEP, the Pell Grant and Direct Loans may be reinstated and awarded based on meeting all requirements and my remaining eligibility. Other funds are subject to availability.
- I understand the Military Student Success Center must be contacted to cancel military benefits such as Hazelwood **or** the Scholarships office for any scholarships awarded.
- I understand, as a student loan borrower, that I must complete an Exit Counseling session at studentloans.gov.
