THE UNIVERSITY OF TEXAS AT EL PASO
2015-2016 Income Reduction/Adjustment Form

(Divorce/Separation)

NAME: __________________________ UTEP ID: ___________________ EMAIL: ____________________

If you believe you have special circumstances that impact your family’s financial situation for the 2015-2016 academic year, please complete the appropriate sections of this form, supply all of the documentation requested, and submit it to the UTEP Office of Student Financial Aid. Do not omit information or documentation, as this will delay the process.

If a divorce/separation occurred before you filed your FAFSA, an income adjustment is not necessary. Contact the Financial Aid Office for information regarding this topic.

Consideration for Income Adjustment/Reduction will be given to students whose Expected Family Contribution (EFC) is 500 or more and whose anticipated family income for 2015 is estimated to be 25% less than the income reported in 2014.

Unless told otherwise, students must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov, before applying for an Income Adjustment.

On campus workshops will be held in late February through early March for students to discuss their special circumstances and submit their income adjustment paperwork for review (see dates and times at http://financialaid.utep.edu, click on Financial Aid Workshops). A Financial Aid Officer will conduct a preliminary review of your special circumstance request and will determine eligibility for an income adjustment based on the documents submitted. This process may require more than one office visit and/or additional documentation.

If an on campus workshop is not attended, income adjustment paperwork will be reviewed on an appointment only basis after March 13, 2015.

Note: Students who have gone through an Income Adjustment in previous years and have been approved, cannot request another one for the upcoming year, even if due to different reason or circumstances. Exceptions to this regulation might occur when applicants complete an adjustment for two consecutive years at the same time or have unusual reoccurring medical expenses.

The Office of Student Financial Aid (OSFA) at the University of Texas at El Paso attempts to make the best decision possible with the information provided based on the family’s current situation. The university believes that the financing of higher education is the family’s responsibility to the extent they are able. The rules governing financial aid programs allow financial aid officers to re-evaluate eligibility for students when and if special circumstances exist that can be fully documented. Families should be aware that funding is limited. The ability of the OSFA to respond to changes in financial circumstances is dependent upon the availability of aid resources and student eligibility.

With few exceptions, you are entitled, upon request, to be informed about the information the University of Texas at El Paso collects about you. Under Sections 552.021 and 552.023 of the Texas Government code, you are entitled to receive and review the information. Under Section 559.004 of the Texas Government code, you are entitled to have the University of Texas at El Paso correct information about you that is held by us and that is incorrect, in accordance with the procedures set forth in the University of Texas System Business Procedures Memorandum 32. The information that the University of Texas at El Paso collects will be retained and maintained as required by Texas records retention laws (Section 441.180 et seq. of the Texas Government code) and rules. Different types of information are kept for different periods of time.
