MyStatus
Login Tutorial
This tutorial will demonstrate how to login to the MyStatus portal.

For this video, we will use a mock account for simulation purposes only.

There are three methods you can use to login to MyStatus:

- In Method 1, you will use your UTEP Login Credentials
- In Method 2, you will use your Student ID, Date of Birth, and Last 4 digits of your Social Security Number
- In Method 3, you will use your E-mail Address and Date of Birth
Method 1: Using your UTEP Login Credentials

Let’s begin with the first method –

Open your browser and go to mystatus.utep.edu

You are prompted to enter your UTEP account login credentials

- The UTEP account login credentials are available for students who have been admitted
- If you have not been admitted or do not have a UTEP account, this is not a problem, proceed to the second method
Select “Sign up for a MyStatus Account”

Enter your Student ID –

- You can find your student ID in correspondence you may have received from the Office of Admissions, Office of Student Financial Aid, or the Office of Scholarships
- The student ID begins with the number “8” and will have this format
- 8xxxxxxxx

Next, enter your Birth Date

Complete this method by entering the Last four digits of your social security number

Select “Register” to proceed to the MyStatus portal

If you do not have a Student ID, proceed to the third method
Method 3: using your E-mail Address and Date of Birth

To use method 3, go to the Mystatus login page
Select “Click here to register for a MyStatus Account”

Next, find and click on the link, “Don’t have an ID?”
Method 3: using your E-mail Address and Date of Birth

Enter the email address you recorded when you completed and submitted any of the following:

- Application for admission or
- Application for financial aid or
- Application for scholarships

Next, enter your Birth Date
Click “Submit”

PLEASE NOTE - Upon clicking submit, an e-mail containing your PIN will be sent to the address just entered. This PIN is valid for 10 minutes and will no longer be valid upon expiration. If your PIN expires before you are able to use it, repeat method 3.
Method 3: using your E-mail Address and Date of Birth

Check your email to retrieve the PIN and enter it in the box labeled, “Temporary Pin”.
Next enter your password. Now confirm your password. Click “SUBMIT”
You have now created an account on MyStatus.utep.edu.

You are prompted to login.
Enter your e-mail address and password, then click submit.

You now have access to your status portal. The information available through this portal is considered to be “REAL TIME”, this means you have the most up-to-date information in your student record.

Welcome to MyStatus!
