

**To get credit for Spanish courses
after taking the Spanish Placement Test and a course
For students using catalogs before Fall 13**

For students who place into 2302, 2304, or any 33XX Spanish course

- First you **must take** the course into which you were placed and pass this class with a “C” or higher
- Then you must take your unofficial transcript showing your A, B or C grade in that Spanish class **and** your Spanish Placement Test results “Test Score Report” to the **Department of Languages and Linguistics (LA 137)**, which is located on the basement level of the Liberal Arts Building.

If you place into SPAN 2302 and pass it with a grade of C or better, you may request credit for 2301.

If you place into SPAN 2304 and pass it with a grade of C or better, you may request credit for 2303.

If you place into any SPAN 33XX-level course and pass it with a grade of C or better, you may request credit for 2304, and 2303.

After approximately four weeks, the credit(s) will appear in your unofficial transcript and your degree evaluation report. Please check www.goldmine.utep.edu

No credit is given automatically.

If you do not know what your catalog is, please run a Degree Evaluation Report from www.goldmine.utep.edu and you will find the answer on the left block of the first page.
